## New Coin Set for Children 2011 – available from 11 January

The Coin Set will have a brand new design with sweet drawings of a family of trolls minting coins. It comes with a leaflet for entering details such as the child's name, date of birth, christening date, etc.

The Coin Set for Children comprises all Danish coins minted in 2011, i.e. 50 øre and 1, 2, 5, 10 and 20 kroner, as well as a cute medal with a troll motif.

The 10- and 20-krone coins have been updated with a new portrait of the Queen.

The portrait, designed by the sculptor Lis Nogel, was also used on the commemorative coins to mark the Queen's 70th birthday.

The reverse of the coins shows the coat of arms in a new design by Royal Heraldic Painter Ronny Andersen.

The price of the Coin Set for Children is DKK 225.00.

## Kajak-Umiak in proof version

Due to technical problems it was not possible to mint the proof version of the eighth ship coin in November 2010.

The problems have now been solved, and we are ready to receive orders from customers. The proof version can be ordered in the period 11-14 January, and orders are restricted to 3 coins per customer.

It should be noted that the coins are minted in the number ordered so delivery may be delayed.

The price for a proof coin with the Kayak-Umiak motif, delivered in a box, is DKK 125.00.
